Principal Tudisco

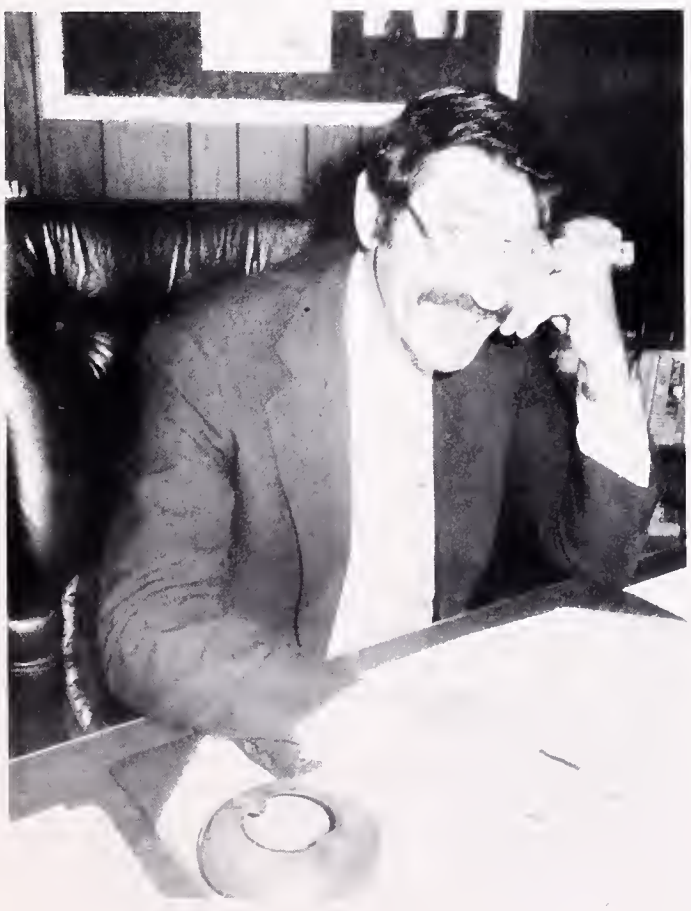
I "tip my hat" to the students of West Campus. It has been a year of dramatic change for all of us. Inherent in this change has been the element of transition, and you have adjusted exceedingly well.

It is the dawn of a new decade, and it is most appropriate that a birth should occur... and it will. The conclusion of this year's transition will bring forth from its demise the creation of new exciting experiences for all of us. Some of you will transfer with me to the new school at Willard; some of you will become members of a newly established all-9th grade school, and some of you will move on to the Senior High School site.

This Yearbook will assume tremendous importance for it will be the last of many issues from West Campus -- Grades 7-9. This Yearbook will symbolize the end of such an educational journey. In September, all of you will transfer to new experiences of learning. I wish you all well in your educational endeavors.

A. Jeff Tudisco

A. Jeff Tudisco
West Campus Principal



Although this is Mr.Tudisco's first year at West Campus, he's had a lot of experience in the Berkeley School District. He was raised in Connecticut, and he went to college at Cal. He majored in Chinese and Japanese Cultural Studies. He taught at Berkeley High for 20 years and then went on to be principal at Malcom X. He was at West Campus for only this one year. Next year he will be at Willard, which just reopened, as principal.

BERKELEY PUBLIC LIBRARY

Vice Principal Taylor

Although he attended school in Oakland, Vice Principal Taylor is no stranger to Berkeley Schools. He was a Math Teacher at Willard for 5 years and was a counselor for 7 years at Berkeley High. He came here to West Campus 4 years ago for his present job as Vice Principal. For the past 15 years during the summer Mr. Taylor has directed a Summer Camp called Camp Mendocino. He hires young people from the Bay Area to help out. Those attending are warned to watch out; he's known to play a mean game of tennis.

Next year Mr. Taylor will be V.P. at Willard

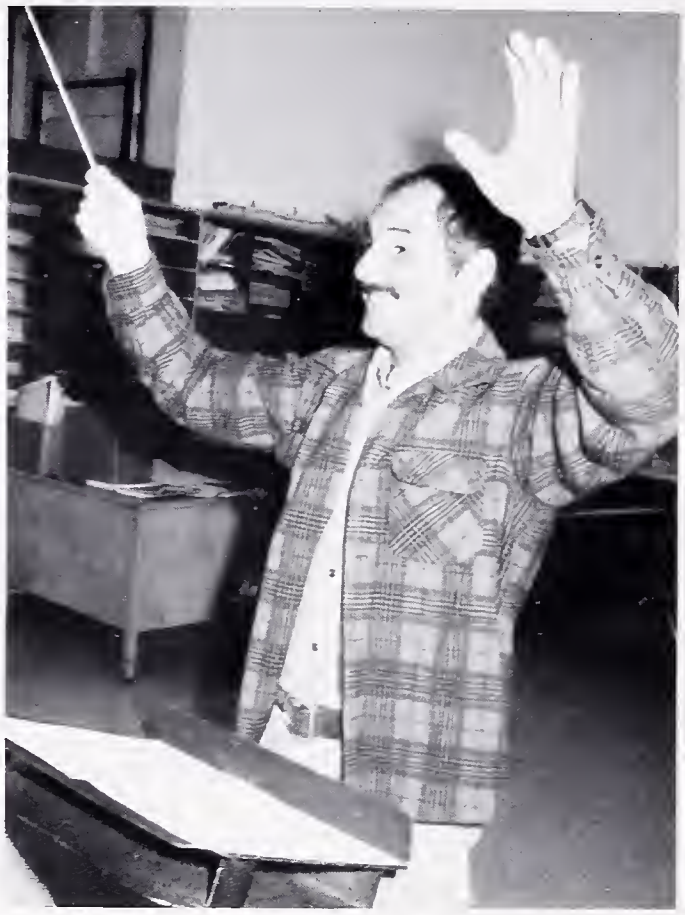
This year the Symphonic Band was very successful. They performed several times at both West Campus and Berkeley High School. The music they performed ranged from Mozart to marches.

The band consists of about 30 students playing instruments ranging from flutes to a bassoon. The Symphonic Band meets 3 times a week in room 007. Mr.Terranova, the conductor of the band since the beginning of this year, was very pleased with everyone's progress and improvement.



JAZZ BAND

The Jazz Band was under the direction of Mr.Hardymon, as it has been for many years. The Jazz Band consists of members of the Symphonic Band who are interested in playing and performing jazz music. Mr.Hardymon composes as well as conducts most of the music the Jazz Band plays. They performed several concerts this year which were very well received.

Coach Mitchell

A SALUTE TO THE FOOTBALL TEAM

-Zachary Wilson

West Campus football was a major success this year, its 6-0 record owing to the magnificent coaching of Chico Mendoza and Percy Crawford. (You helped too, Mitchell.) Outstanding individual performances were turned in too by Michael Walker in particular. Michael was the MVP of the team and was the leader in rushing and scoring. Craig Miller, on offense, was also one of our most valuable players, being the second leading rusher and scorer. The team relied on Miller in short yardage situations to pound through the line. The offensive line also was outstanding, moving out people consistently and opening holes for the runners. Quarterback Marcus Tally, who replaced Timmy Robinson in mid-season, had an easy job of it, only having to hand off to Walker and Miller. Rodney Williams also performed well at quarterback. On defense it was a team effort all the way. When lineman Don Cistrunk and Larry Wirsig weren't making great tackles, the linebackers gave opposing players hits to remember. The secondary rarely got a chance to tackle anyone but capitalized on opportunities by intercepting 2 passes.

The season started out in grand season with a scrimmage against the California School for the Deaf. With everyone playing, W.C. romped to a 35-0 win.

The second game was a struggle against Redwood in San Francisco, as the Jackets repeatedly made errors that helped the opposition's cause. But superior talent overcame the inexperience and we won 6-0.

The next game against Woodland was easier. On the second play from scrimmage, Miller broke free down the left sideline and was tackled on the two yard line. Walker took it in from there. From then on it was a whip, W.C. winning 28-8.

The game against Terra Linda was probably the biggest win of the year. Coach Mendoza told the team that the opposing Coach called up to say they would blow us out. Psyched up, we went out and whipped them, 32-7.

As expected, the next game was sort of a letdown. On a gloomy day in Alameda against Encinal, W.C. started slowly and never really got on track. But W.C. won despite it, 22-0.

The season ended fantastically against Salesian. Playing everone in the free for all, W.C. won 48-0. It was a great finish to a great season.

This year the ASU got off to a better start than last year. Because of the earlier start and more organization, this year's members planned many fund raisers which included a car wash and candy sales. They used the money to go out to dinner. The chairpersons were Chris Benner, Corby Shinomiya and Terry Lee, who took the place of Amie Tokuhama who left to B.H.S.
